Address to:  
Commissioner of Patents and Trademarks  
Washington D.C. 20231

1. In accordance with the duty of disclosure under 37 C.F.R. § 1.56 and in conformance with the procedures of 35 U.S.C. §§ 1.97 and 1.98 and M.P.E.P. § 609, attorneys for Applicant hereby bring the attached references to the attention of the Examiner.

These references are listed on the attached modified PTO Form No. 1449. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

2. In accordance with the Commissioner's comments to the new rules at 1135 Off. Gaz. Pat. Off. 14 (February 14, 1992), an English language version of the PCT International Search Report is submitted in satisfaction of the requirement of a concise explanation of the relevance of the following non-English language reference:

JP A 63-125152

3. An English-language abstract of the following non-English language documents is being supplied herewith:

JP A 3-73337

- 4 A copy of each patent, publication or other information listed on the modified PTO form 1449 is enclosed.
